EXAMINER'S AMENDMENT

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on application 10245398.5 filed in Germany on 28 September 2002. Although the previous Examiner indicated in box 12(a)(3) of the Office Action mailed 3/28/2007 that the certified documents have been received, this is not, in fact, the case. No certified copy of the priority document has been received. The ultimate responsibility for provision of a priority document remains with the Applicant, and such a document should be provided prior to payment of the issue fee. See 37 CFR 1.55(a)(2)-(3).

Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

In claim 10, line 15, "wherein if" was changed to --wherein, if--

In claim 10, lines 15 and 16, "moving the curing device" was changed to --the curing device is moved--

In claim 10, line 19, "moving the processing units" was changed to --the processing units are moved--

In claim 10, line 21, "moving the curing device" was changed to --the curing device is moved--

In claim 10, line 24, "units;" was changed to --units and--, to make lines 24-26 consistent with lines 19 and 20 ("and moving the processing units ... the processing time")

In claim 10, line 25, "moving the control units" was changed to --the control units are moved--

3. Note that these changes do not affect the scope of the claims, they merely put the claim language in clearer form.
